

Queen of the world

Letra e Música: Mariana Ava

G
I guess it's not wrong to say
Em7
I knew it all along
G
you played your stupid games
Em C
while I was torn
G Em
you had me figured out
C
deciphered my soul somehow
G Em
emotions were so obscure
C
my vision was blurred

Em7 C
Maybe I soured up
Em7 D
but I am sweet as heck
Em7
maybe I cried sometimes
C
but not tonight

Em7 D/F#
'cause I'm now
G
on top of the world
C
I'm queen of the world
Em7 D/F#
alone now
G
I know who I am
C
I know what I'm worth
Em7 D/F#
we're falling off
G
the edge of the end

I've held on too long
Em7 D/F#
free now

I'm all on my own
the damage is done

baby I'm moving on

I guess it was right to say
you fooled me for way too long
I'm letting you fade away
to yesterday

Maybe...

[
queen of my world
I'm in control
and you're not welcome here
anymore
I've tried and cried enough
hey now I'm taking off
baby I've realized

I'm now

G
on top of the world

C
I'm queen of the world
