

Fly

Letra e música: Mariana Ava

F C
Changes caught up to me
F Am
When I felt alone
F C
So unaware
Em7
So unprepared
F
Went stumbling on
C
Unsteady ground
F Am7
There is only one hope
F C
That like butterflies
Em7
Transform in the dark
F
My wings will unfold

C Em7 Am7
Fly to You
Dm7 F/C G
High with You
C G/B Am7
Fly to You
Dm7 F/C G
High with You
Am7
I'm not alone

F C
Changes caught up to me
F Am
But I'm not afraid
F C
To carry on
Em7
This love burning in
F
And out from within
